The screenshot shows the Delicious website interface. At the top, there's a navigation bar with links like 'Informations', 'Animateurs', 'RSS', and various user profiles. The main header features the 'delicious social bookmarking' logo, a 'Join Now' button, and a 'Sign In' button. Below the header is a blue banner with the text 'All your stuff in one place. Get to your bookmarks from any computer, anytime, anywhere.' and a 'Learn More' link. A search bar is located below the banner with the text 'Search the biggest collection of bookmarks in the universe...'. The main content area is titled 'Popular Bookmarks' and 'Explore Tags'. It lists several popular bookmarks with their titles, tags, and the number of bookmarks saved. For example, 'Hidden Pixels - CSS Frameworks' has 81 bookmarks and tags like 'css', 'webdesign', 'framework', 'frameworks', and 'design'. Other popular bookmarks include 'Get Your War On: The Watch List - 236 - Video' (61 bookmarks), 'Potato Salad with Apples and Bacon Recipe | Simply Recipes' (71 bookmarks), and 'Ipod Touch: Forget the iPhone--The iPod Touch is Good Enough' (130 bookmarks). A 'Popular Tags' section on the right lists various tags like 'design', 'blog', 'video', 'software', 'tools', 'music', 'programming', 'webdesign', 'reference', 'tutorial', and 'art'. The interface is clean and modern, typical of the early 2000s web design.

The screenshot shows the Delicious website interface. At the top, there's a navigation bar with links like 'Informations', 'Animateurs', 'RSS', and 'AndreRoux on Facebook'. Below that, there's a search bar and a 'Save a new bookmark' button. A red arrow points from a callout box to this button. The callout box contains the text '6. Sélectionner Save a new bookmark'. Below the button, there's a section titled 'You have no bookmarks ... yet!' with a thought bubble icon and three buttons: 'How do I get started?', 'Save a new bookmark', and 'Import bookmarks'. The 'Save a new bookmark' button is also highlighted with a red arrow. Below this section, there's a paragraph of text explaining how to save a bookmark. At the bottom, there's a footer with links like 'delicious', 'about', 'blog', 'terms of service', 'privacy policy', 'copyright policy', 'forums', 'support', and 'What's new?'.

6. Sélectionner **Save a new bookmark**

The screenshot shows the Delicious website interface. At the top, there is a navigation bar with the Delicious logo and menu items: Home, Bookmarks, People, and Tags. A search bar is located on the right. The main content area features a section titled "Save a new bookmark" with the instruction "Start by entering a URL". Below this is a text input field labeled "URL" and a green "Next" button with a right arrow. A red arrow points from a text box to the "URL" input field. Another red arrow points from a text box to the "Next" button. The footer contains a blue bar with links: delicious, about, blog, terms of service, privacy policy, copyright policy, forums, support, and a "What's new?" link.

7. Écrire l'adresse du site que vous voulez ajouter à votre liste de signets delicious

8. Passer à l'étape suivante

The screenshot shows the 'Save a new bookmark' form on the Delicious website. The form includes fields for URL, TITLE, NOTES, and TAGS. The URL field contains 'http://www.domainelangues.qc.ca/'. The TITLE field contains 'Service National - Domaine des langues'. The NOTES field is empty. The TAGS field is empty. Below the form are 'Save' and 'Cancel' buttons. The interface also shows a navigation menu with 'Home', 'Bookmarks', 'People', and 'Tags' options, and a search bar.

9. Écrire **le nom du site** (souvent le nom du site apparaît automatiquement).

10. Écrire **une description**

11. Écrire **les mots clés de votre choix***

12. **Sauvegarder**

* ATTENTION ! Il est recommandé de créer des mots clés écrits en minuscule et sans accents. Si le mot clé comporte plusieurs mots, il faut mettre une symbole _ entre chaque mots (par exemple : camp_de_lecture_numerique)
